~~Chapter—definition of chapter by The Free Dictionary~~

The Bible is a compilation of many shorter books written at different times by a variety of authors, and later assembled into the biblical canon. Since the early 13th century, most copies and editions of the Bible present all but the shortest of these books with divisions into chapters, generally a page or so in length. Since the mid-16th century editors have further subdivided each chapter into verses – each consisting of a few short lines or sentences. Esther 8:9 is the longest verse in ...

The character is encoded in Unicode as U+00A7 § SECTION SIGN and HTML entities §, §, or §. Origin. Two possible origins are often posited for the section sign: most probably, that it is a ligature formed by the combination of two S glyphs (from the Latin signum sectiōnis). Some scholars, however, are skeptical of this explanation.

~~Chapter definition and meaning | Collins English Dictionary~~

The term comes from Section VIII of the World War II -era United States Army Regulation 615-360, concerning the separation of enlisted men from military service. Section VIII provided for the discharge of men who were deemed mentally unfit for military service. The term "Section 8" eventually came to mean any service member given such a discharge, or behaving as if deserving such a discharge, as in the expression, "he's a Section 8".
