A list of fragrance formulas i would like to see I do not have any schooling or real world experience in the fragrance industry so learning is a very large mountain to climb. I always feel that if I could see the formulas of fragrances I am impressed by I could get a better understanding for creating better fragrances.

A list of fragrance formulas i would like to see

A fragrance is a complex formula that can include dozens of ingredients, but we’d recommend to train with a combination of just a few (10 or less). There is no book on formula, perfumery is a knowledge that gets passed on from perfumers to perfumers and with a lot of hard work and dedication.
