The Historical Atlas of World Mythology is a multi-volume series of books by Joseph Campbell that traces developments in humankind's mythological symbols and stories from pre-history forward. Campbell is perhaps best known as a comparativist who focused on universal themes and motifs in human culture. He first conceived of the Historical Atlas in the late 1970s as an extension of his works, The Mythic Image and The Masks of God. Like those books, the Historical Atlas of World Mythology intended
