A PR plan is typically comprised of three key elements: objectives, strategies and tactics. Seems simple enough, but understanding the difference between the three elements can be tricky – even seasoned PR pros occasionally refer to a tactic as a strategy. Following is a breakdown of what each element actually means.

Creating a strategy comes after setting goals and creating your objectives. Having strategies and tactics in place are integral to a company ' s business plan, and they also play a role in successful public relations. Developing a clear idea of your business strategy and tactics is essential in staying focused and in reaching your company goals.

~~What ' s the difference between a PR strategy and a PR tactic?~~

The communications world has changed drastically in recent years and practicing effective public relations strategies and tactics are no exception. Gone are the days of only having to know one or two reporters or knowing all of the potential publications to pitch.
