With never-before-seen photographs of these heroes in action and untold stories of individual acts of bravery, you will be taught the key combat methods that have made this military group exactly what they are: elite.

SAS Combat Handbook - Defence Library Service - OverDrive

The book reputed to be a handbook of the combat skills of the British Strategic Air Service, a commando organization. While a brief history of the SAS is provided, the rest of the information is jumbled and cursory. There is very little combat skills discussed that I did not learn much more about during my twenty years in the United States Marine Corps or from US Army manuals. Any American ...
